Create new abstract/proposal

NEW Abstract/proposal submission

In order to submit your abstract, you have to register and create an online account. For new users please choose "Create an account" button and enter all required data.

After creating your user account, you will receive a confirmation email with an activation link.

Please click on the activation link and you will be redirected to the system. Now, you can login to our system at any time with data provided during your registration.

When you login into your account you will be provided with a "Create new abstract" button.

Please follow the provided form, while entering your abstract. After you finish the process, you will see your abstract inside My abstracts in Menu.

UPDATE existing abstract/proposal

To edit your abstract, please login to your account, go to **My abstract/proposal** and Edit your abstract.

If you want to change your abstract, please Create new abstract and follow the provided form, while entering your abstract. After you finish the process, you will see your abstract inside My abstracts in Menu.

Registration and Payment

To register for the conference, log-in to your account and click "Register now" button. Here, you will have to insert the Payer information and choose the registration fee type, click Next, and Next on Additional services Page, and then click Finish on the Registration Summary Page. After this you can choose to download the proforma invoice or make a payment through online secure payment system.

2 - Choose your registration fee and Select payer. If you have not inserted a payer information you can Add new payer below Payer Information. Click Next
