

Save the Date: ISFNR 2026 Reykjavík Nature(s) in Narrative

**We welcome you to the 2026
interim ISFNR conference in
Reykjavík, Iceland, June 13th to
16th.**

**We will engage broadly with the
theme of nature(s) in narrative.**

**We ask how narrative is
entangled with nature in its
various forms, situated in the
micro and macro, the rural
and urban, ranging from
essentialist notions of the
natural, the supernatural to
non-binary assemblages of
nature-culture.**
